**PRIVATE DAY TRIP
TATAOUINE AND
BERBER VILLAGE**

Pass by – Chaussee Romaine Djerba

An ancient Roman causeway linking Djerba to the mainland, offering scenic views over salt flats and sea, a unique historical gateway to the island.

60 Minutes

Known for its Berber heritage and Star Wars filming locations, Tataouine offers colorful markets, desert scenery, and a gateway to Tunisia's ksour (fortified granaries)

3 Hours

A breathtaking hilltop Berber village with whitewashed houses, ancient mosque, and panoramic desert views. Ideal for exploring narrow alleys, learning history, and enjoying traditional Tunisian lunch.

90 Minutes

Discover this peaceful town surrounded by desert landscapes. Explore local markets, meet friendly residents, and experience authentic southern Tunisian life, with traditional architecture and palm groves nearby.

60 Minutes

One of Tunisia's best-preserved ksour, featuring multi-storied granaries once used by Berber communities. Famous as a Star Wars set, it's a photogenic mix of history, culture, and desert charm.

2 Hours

A restored ksar blending history with film fame, used in Star Wars scenes. Explore unique architecture, storied vaults, and the surrounding desert landscape.
